

MEHEDI HASSAN

Deputy Manager – Fabric Finishing & Development

+8801927042784 • mehedihasan177@yahoo.com • www.linkedin.com/in/mhasan177 • Gazipur, Bangladesh

Summary

Textile Engineer and Denim Finishing Professional with 7 years of experience in fabric development, finishing, and process optimization within denim manufacturing. Currently serving as Deputy Manager – Fabric Finishing & Development at Salek Textile Limited, specializing in overdyeing, sanforizing, coating, bulk shade consistency and sustainability compliance. Proven track record of improving production efficiency, reducing chemical and water consumption, and optimizing finishing costs through data-driven process improvements with a passion for sustainable and innovative denim manufacturing.

Experience

Salek Textile Limited (Denim Fabric Unit), New Asia Group

Gazipur, Bangladesh

Deputy Manager – Fabric Finishing & Development

01/2025

- Engineered denim finishing processes (overdyeing, sanforizing, coating) aligned with global brand standards
- Increased production efficiency by 22% through process optimization
- Reduced sulfur dye consumption by 27.34%, improving sustainability performance
- Optimized chemical usage, reducing overdyeing cost by \$0.15 per yard
- Collaborated with QA, R&D, and Buyers to ensure bulk consistency and shade reproducibility
- Participated in buyer meetings to align product development with brand requirements and approvals
- Ensured compliance with ZDHC guidelines and supported Higg Index sustainability initiatives

Salek Textile Limited (Denim Fabric Unit), New Asia Group

Gazipur, Bangladesh

Assistant Manager – Fabric Development & Finishing

01/2022 - 12/2024

- Developed new denim shades and finishing techniques based on buyer requirements
- Reduced water consumption by 6.04% in desizing process
- Led lab-to-bulk scale-up ensuring consistency in hand feel, shrinkage, and color fastness
- Conducted root cause analysis for fabric defects and process deviations
- Coordinated with buyers, Marketing and merchandising teams during sample development and approval stages
- Aided sustainability compliance aligned with buyer requirement and mill's sustainability goal

Salek Textile Limited (Denim Fabric Unit), New Asia Group

Gazipur, Bangladesh

Production Officer – Fabric Processing

07/2019 - 12/2021

- Managed fabric development trials and bulk production planning
- Assisted in automation improvements in sanforizing machinery
- Digitized production records for improved traceability and efficiency
- Assisted lab testing and quality verification processes under international standards

Salek Textile Limited (Denim Fabric Unit), New Asia Group

Gazipur, Bangladesh

Intern

01/2019 - 3/2019

- Completed industrial attachment focusing on denim fabric manufacturing facility.
- Gained hands-on exposure to fabric processing machines including Dyeing, Weaving, Finishing and Utility
- Observed laboratory testing procedures for color fastness, GSM, dimensional stability, and physical performance evaluation.

- Worked closely with technical personnel to understand denim development, process flow, and sustainable manufacturing practices.
- Learned the operational principles and maintenance practices of textile processing machinery to minimize downtime and improve efficiency.
- Prepared technical and production-related reports while developing knowledge of factory SOPs, safety standards, and compliance practices.

Education

Bangladesh University of Textiles	Dhaka
Bachelor of Science in Textile Engineering (Fabric Manufacturing)	2014 - 2017
CGPA: 3.39 out of 4.00	
Notre Dame College	Dhaka
HSC	2011 – 2013
GPA: 5.00 out of 5.00	
Bogra Zilla School	Bogra
SSC	2003 – 2011
GPA: 5.00 out of 5.00	
Received Secondary School Certificates' Merit Scholarship and stood 11 th in Rajshahi Education Board	

Skills

Denim Finishing (Overdyeing, Bleaching, Mercerizing, Sanforizing, Coating)

Fabric Development, Shade Matching, Process Optimization

Testing Standards: GSM, shrinkage, color fastness

Sustainability: ZDHC compliance, Higg Index awareness

MS Office

Business Communication

Leadership

Languages

Bangla Native

English Professional

Publications & Certification

- Hassan, M., Iqbal, M. & Islam, M., (2025) "Adoption of Sustainability-Related Technology and Practice in Denim Manufacturing: A TOE Framework Approach", *International Textile and Apparel Association Annual Conference Proceedings* 82(1). doi: <https://doi.org/10.31274/itaa.21808>
- Certified Supply Chain Analyst (CSCA)TM

Extra-Curricular Activities

- Founder, BUTEX Radio (2017), Country's 3rd campus based online radio. Arranged Denim Talk, Postmaster Season 1 and 2
- Organizing Secretary and Co-Founder, BUTEX Science Club (2016)
